

# The 5th International Conference of Euro Asia Civil Engineering Forum

# EACEF-5

Theme: "Civil Engineering Innovation  
for a Sustainable Future"

September 15-18, 2015

Petra Christian University, Surabaya, Indonesia

Conference official homepage

<http://eacef5.petra.ac.id>

## TOPICS

1. Structural and Construction Engineering
2. Geotechnical Engineering
3. Green Civil Engineering Materials
4. Environmental Engineering  
(incl. Water & Climate Changes)
5. Infrastructure Engineering  
(incl. Transportation System & Public Facilities)
6. Construction Project and Safety Management
7. Architecture and Building Science

## MAIN TECHNICAL FEATURES

- Keynote paper and invited paper presentations
- All accepted papers will be offered for publication in **Procedia Engineering** (ISSN: 1877-7058), published by **Elsevier**.
- Selected papers will be offered for publication in the **Civil Engineering Dimension** (ISSN: 1410-9530 [print], 1979-570x [online], <http://ced.petra.ac.id>).
- Selection of Best Paper Awards

## IMPORTANT DATES

Abstract submission	February 17, 2015
Full paper submission	May 16, 2015
Final paper submission	August 15, 2015
Early bird registration	August 15, 2015
Conference	September 15-18, 2015

## CONFERENCE SECRETARIAT

All correspondences should be forwarded on-line to EACEF-5 Secretariat: [eacef5@petra.ac.id](mailto:eacef5@petra.ac.id)

For more details, please refer to the conference official homepage: <http://eacef5.petra.ac.id>

### Organized by:

Petra Christian University, Surabaya, Indonesia | Universitas Pelita Harapan, Jakarta, Indonesia | Universitas Atmajaya Yogyakarta, Yogyakarta, Indonesia

UNIVERSITAS  
KRISTEN  
PETRA

UPH  
UNIVERSITAS PELITA HARAPAN

UNIVERSITAS  
ATMA JAYA YOGYAKARTA

### Supporting Organizations & Partners:
